

OFFICE OF THE STATE BUDGET

Ron Lundeen
Financial Analyst
State Budget Office

Colleagues said that the way **Ron Lundeen** treats them and his efforts to include them and share technical information are among the ways he demonstrates the state's values. They said he is a hard worker with an excellent work ethic, and they described him as dependable and conscientious.

Jacques McNeely
Director, Office of Public Protection and
Resources
State Budget Office

Professional. Courteous. Upbeat and positive. Hard working. **Jacques McNeely's** colleagues used these positive words – and others – to describe him. They said he values employee input, treats everyone equally and gives staff credit for the work they do. He is a hard worker who sets an example for others.

OFFICE OF THE STATE BUDGET

Laura Mester
Accounting and Financial Reporting
Division Director
State Budget Office

Laura Mester's colleagues said she always is fair and takes time to view issues "from the other side." They described her as down to earth, intelligent, responsible and fun. They said she is a good manager who communicates well and includes the team in making decisions.
